

Year Of Restoration

TO BUILD A CELL CHURCH THAT SHARES JESUS AND TOUCHES LIVES THROUGH MAKING DISCIPLES WHO ARE EVER GROWING IN LOVE FOR GOD AND MAN.

RECTOR'S MESSAGE

8 APRIL 2018 2nd SUNDAY OF EASTER

I want to thank those who have served in the previous term of the PCC. Their love for the Lord and the church is evident in their service. .

I thank the Lord for the new PCC elected for the coming two years. It is our duty and our responsibility to pray for them and their families regularly. The election is over and now that the Lord has elected through our votes, we need to back them up with our actions. They have taken the step of faith to be used by the Lord. We need to give them our full support in terms of our talents and the resources that the Lord has placed at our disposal. We see this in the example of the early church where the talents of the members were placed at the disposal of the apostles. The church was able to do immeasurably more than they could think or hope for.

We are entering into a new season with a new leadership. As we have seen in the scriptures, there is a need for all of us to reiterate our obedience to serve the Lord. We will see the Lord's favor and blessing when we unite to do His will.

In our journey as a people, it is inevitable that there will be differences and friction due to our differences and uniqueness. I am asking all of us to settle differences quickly with much love. This is one of the main weapons that Satan uses to immobilize the church and keep us ineffective to do God's will. Do not harbour resentment, grudges or ill feelings towards one another. Love one another. Demonstrate our love for one another. Jesus said, "By this shall all men know that you are my disciples, if you have love for one another." Keep our hearts pure for the pure in heart will see God.

"Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you." Ephesians 4:32
