

Year of Restoration

TO BUILD A CELL CHURCH THAT SHARES JESUS AND TOUCHES LIVES
THROUGH MAKING DISCIPLES WHO ARE EVER GROWING IN LOVE FOR GOD AND MAN.

RECTOR'S MESSAGE | 8 & 9 SEPTEMBER 2018 | 15th SUNDAY AFTER TRINITY

I have attended the Synod with our leaders. The Bishop has declared that the theme for the Diocese will be 'The Decade of Evangelism and Discipleship'. For the next two years, the sub theme will be 'the Year of Sowing'. I can resonate with this theme as it is the core value of our church.

I want to thank all of you for being involved in our efforts to reach out to the lost. This is not a once off event. We encourage everyone to keep doing it until it becomes a habit. Evangelism will become second nature to all of us.

In the cell, evangelism is one of two main agenda. Let us encourage each other as we meet to formulate and execute plans to reaching out to the lost. It is in the heart of God to seek and to find the lost do that they can be reconciled to the Father. There is great rejoicing in heaven when even one person turns back to our loving Father.

This week I was in Tawau for the SOTAM regional school convention. I had the joy of seeing many students making a personal commitment to make Jesus their Lord and Saviour. The most touching moment was to see a girl weeping tears of joy to see her friend that she had been praying for come to faith in Christ. I pray that we too will experience the joy of our family, our friends and even strangers coming to faith in our Lord Jesus Christ. I am certain that once you have experienced that joy, you will want to experience it again and again.
